ZAFIRO FACT SHEET

GENERAL

Classic touches include magnificent floor-to-ceiling windows and — for those on the Upper Deck — private balconies. A ship staff and crew of 25, including a cruise director and local naturalist guides, are joined by an IE Expedition Leader to ensure an unprecedented level of service. All 19 spacious suites are air-conditioned and feature en-suite bathrooms, a desk and ample closet space.

SUITES

- All spacious suites are air-conditioned and feature en-suite bathrooms, a desk and ample closet space.
- Lower Deck Suite: Cabins with convertible twin or California King-sized bed and panoramic floor-to-ceiling window. Approx. 226 sq. ft.
- Upper Deck Suite: Cabins with convertible twin or California King-sized bed, panoramic floor-to-ceiling window and balcony. Approx. 226 sq. ft.
- Master Suite: Cabins with convertible twin or California King-sized bed, panoramic floor-to-ceiling window with 90° view. Approx. 248 sq. ft.

DINING

- Savor regional specialties and contemporary cuisine infused with flavors from the surrounding rainforest. The atmosphere is casual yet elegant as you sample Amazon cuisine while enjoying spectacular views from the panoramic windows.
- The dining room can accommodate all guests at one seating.
- Most diets can be catered for on board, but special dietary requests must be made in advance.
- Breakfast is served buffet-style and a la carte.
- Dinner is served in the main restaurant. When weather permits, meals can also be served on deck.
- Coffee and tea are available 24 hours a day.

Common Areas

- Indoor Lounge & Bar
- Outdoor Jacuzzi & Bar
- Indoor reading lounge
- Observation deck
- Exercise room
- Spa
- Dining room
